

WALL-SMART LEADS THE FLUSH MOUNTS MARKET PRESENTING MOUNTS FOR IPAD PRO 10.5, SAMSUNG TABLETS, AND MOST RECENT HOME AUTOMATION CONTROL DEVICES

CEDIA EXPO, SAN DIEGO, CA --- *Wall-Smart®*, the leader in flush wall mounts is expanding its product lines presenting wall mounts for the newest home automation control devices made by the leading brands in the industry. The mounts are designed for Control devices by Control4, Crestron, ELAN, Niles, SpeakerCraft, Universal Remote Control, Samsung, RTI, Lutron, Kramer, Phillips Dynalite, Apple and others.

With the growing use and variety of technology in the home automation industry, there is a need for wall mounts that won't interfere with the home décor and minimize the visual impact, integrating technology and interior design.

Wall-Smart offers mounts for all types of installations: New Construction, Solid surface and Retrofit applications, all shown at CEDIA EXPO, Booth # 4747.

“We are excited to expand our offering, providing all integrators solutions that meet their needs.

With our ability to launch solutions quickly, we make sure we are always up to date with the newest technology available”, says Galia Ben-Dor, Founder, and Co-CEO of Wall-Smart.

Wall-Smart keeps looking for strategic partnerships and JVs, to provide the best mounts for any professional installation.

About Wall-Smart Ltd

Wall-Smart is a leading designer & manufacturer of custom flush wall mounts for tablets, touch panels, and keypads.

Wall-Smart offers an innovative, practical design, which combines functional control & aesthetics.

Wall-Smart proudly stands for innovation and creativity, yet cost-effective solutions for all in-wall challenges.

The Company has successfully implemented unique mass customization methods to provide tailored wall-mount solutions - with a very short delivery time - for leading 3rd party products launched in the custom install and smart building industries.

Wall-Smart® is a trademark of Wall-Smart Ltd., registered in the US.
